## ***AN EXCITING TESTIMONY OF TRIBAL MISSION BELIEVERS FROM THE RELIEF CAMPS IN WAYANAD***

(T.U. Uthup, Vice President, Tribal Mission)

Following the landslides in Wayanad, the tribals of Appenkap settlement, a tribal center of Nilambur Pothukallu panchayat, which is prone to landslides, have been shifted to the Govt Higher Secondary School at Munderi. Many families of Tribal Mission 'Munderi' Church are included in this group. 10 families of these believers live together in one classroom at the end of the building near the school gate. On August 31, our General Secretary Dr. Muralidhar, along with Mr. K. K. Koshy and Mr Saju George reached this camp from Attapadi. They visited the camp with the missionaries of the Tribal Mission of Nilambur and the coordinator Pastor Manoj. They handed over the food items, clothes and essential medicines to the camp authorities. When they were informed that these are from Tribal Mission, the School Correspondent and a teacher, namely, Ajesh, who is in charge of the camp, happily accepted the items and narrated an amazing incident that surprised them.

On the previous day, Friday night, August 2nd, when the power went out in the camp, Mr. Ajesh announced to all inmates to light the candles provided in all the rooms. He further went to check each classroom and found all the class rooms were lit with candle except the room where our 10 tribal believers were living. When asked why the candle was not lit, they replied that they didn't have a matchbox but they would immediately go into the next room and light it from the candle that was lit there. When he heard that there were about ten youths who did not have matches, Mr. Ajesh was surprised and asked them, "Why you don't have matches, don't any of you smoke beedi?" They said, "Sir, we used to smoke and drink, but after knowing Jesus, we stopped all such bad habits." While talking to them for a little while, they told him about the tribal mission and thus he became familiar with the name tribal mission. He later happily shared this incident with the school correspondent. Also they added that these believers behaved differently from others from the time the camp started, being calm and well-disciplined, not making noise or disturbances to anyone.

Tribal Mission team were so happy and excited when the camp authorities testified about these believers who belonged to the 'Kattunayaka' community. They praised God for them. We need to congratulate Pastor Manoj, Coordinator of Nilambur and who minister at Munderi Church and taught these tribals to live and be a witness in this way. May God bless him and his family abundantly.

# " GREAT MISSION OF TRIBAL MISSION!"

K.M. Samuel

In the early hours of July 30, 2024, multiple landslides occurred in Wayanad district, Kerala. Heavy rains triggered the collapse of hillsides, resulting in torrents of mud, water, and boulders cascading down onto the area. Around 400 people lost their lives, over 273 were injured, and 154 are reported missing. These landslides marked one of the deadliest natural disasters in Kerala's history. The affected villages include Punjirimattom, Mundakkai, Chooralmala, Attamala, Meppadi, and Kunhome.

It is not the first time such incidents are happening in the world. The Tsunamis, earthquakes, unexpected flood and hurricanes, stampedes and other accidents, murders and suicides, wars and strifes between nations and communities are increasing day-by-day everywhere. The fear grips humanity in a great way and they do not know the way out.

The Bible says: "Now as He (Jesus) sat on the Mount of Olives, the disciples came to Him privately, saying, "Tell us, when will these things be? And what will be the sign of Your coming, and of the end of the age?" And Jesus answered and said to them: "Take heed that no one deceives you. For many will come in My name, saying, 'I am the Christ,' and will deceive many. And you will hear of wars and rumors of wars. See that you are not troubled; for all these things must come to pass, but the end is not yet. For nation will rise against nation, and kingdom against kingdom. And there will be famines, pestilences, and earthquakes in various places. All these are the beginning of sorrows." (Matthew 24:3-8)

Yes, when we see these happenings, one thing is sure that our Lord is at hand. But the Lord has given us a great responsibility to fulfill before He appears: "And this gospel of the kingdom will be preached in all the world as a witness to all the nations, and then the end will come." (Matthew 24:14)

Our Lord had entrusted a great task to each one of us, His disciples. This is the great task He had given to us in the Tribal Mission - 'To go out and preach Jesus', before the end comes. May God help us to fulfill the desires of His heart.! Let us be the shining lights in a darkened world. Also let us pray for and help out the victims of this disaster in Wayanad.

## THE NEW MIRACLE CHURCH AT AGRIFARM TRIVANDRUM

We are blessed to announce the construction of a new church at the Agrifarm Tribal Mission Center in the Thiruvananthapuram region. In response to our continuous prayers for a permanent building, the church construction began on January 26, 2024, at Kannankot. We praise God for the miraculous progress that allowed the church to be built in just six months and the dedication service was held on July 27, 2024.

Tribal Mission General Secretary Dr. K. Muralidhar dedicated the church hall for the glory of God. The service was chaired by the Mission President Mr. Mathew Jacob. Pastor Sethu, the local missionary, offered the opening prayer and Dr. Subramani gave the welcome address. Admin Secretary Mr. Baby Mathew, Dr. Thomas David, Shri K.K. Koshy, Pastor Jayadas, Engineer Saju George, Dr. Deepak, Shri Raju, Shri Jayakumar (Nagar Kovil), Pastor Varghese, A.L.F representatives Mr. Joel, Sri Rijju and Mr. Sunny, Peringammala Panchayat Vice President Mrs. Geeta Priji etc gave short speeches on the occasion. Mission Vice President Mr. TU Uthup delivered the vote of thanks. The service concluded with a closing prayer and benediction by Pastor K.V. Samuel of Faith City Church, marking the occasion in a most auspicious manner.

Just as the wall of Jerusalem was built under Nehemiah's leadership, God has wonderfully guided this project. The purchase of the land and the completion of the hall were made possible due to the generous contributions from the devoted benefactors of the Tribal Mission. Approximately two lakh rupees were received from the Tribal Mission during the construction. This beautiful building, covering about 1200 square feet which includes a Worship Hall and the parsonage, cost around 16 lakh rupees including the land. Of this, 14 lakh rupees were generously donated by about sixty friends of the Tribal Mission, to whom we express our heartfelt gratitude and pray for God's abundant blessings upon them.

Dr. Subramani, Engineer Saju George, and Thiruvananthapuram Coordinator Pastor Sabu John played crucial roles in completing this blessed church through their tireless efforts. Let us pray that more people from Malavedan and Kurua communities from the surrounding areas will be saved and come to worship here.

(TU Uthup, Thiruvananthapuram)

**NB :** Tribal Mission is grateful to Dr. Thomas David and his family for helping us to buy the land for constructing the new Agrifarm Mission House.

**Devotional Thought**  
Just a voice

Dr. Thomas Jacob Abraham, MD

**“But as ye they did not understand the Scripture,  
that He must rise from the dead”**

John 20:9

In the immediate aftermath of Jesus’ death, His followers were a confused and terrified lot. They were in a state of constant fear and the empty tomb on day three just added to their bewilderment. Though Jesus had spoken to them many times about all that would take place, including His death and resurrection, their failure to understand how Jesus was fulfilling scripture resulted in needless distress and fear.

How often do we walk about in fear and anxiety, troubled by numerous uncertainties? We lose sight of God’s promises as our struggles become the focus of our devotion. Instead of trusting in God’s unfailing word, we dwell on lies and rumours, as we slide down the spiral of hopelessness and fear. May the living Saviour firmly plant you in His Scriptures, so that you may not be tossed about by every wave of opinion but rather that you may stand firm on His promises with full confidence and hope.

# TWO WHEELERS

(OLD OR NEW)

**Two Wheelers (Old or New)  
required for Missionaries**

**SPECIAL FEATURE****Tribal communities of Idukki - 4**

A series on tribal communities of Idukki district in Kerala. May this review cause us to pray for them, and for the many ministerial organizations including the Tribal Mission working among them. (Special thanks to Bro Anil George of NLCI for helping us and Bro Baby Mathew for coordinating with him)

**Bible Translation**

“After this I looked, and there before me was a great multitude that no one could count, from every nation, tribe, people and language, standing before the throne and before the Lamb...” John records it in the book of Revelation. (Rev 7:9) This vision needs to be realized. That is why, Organizations like N.L.C.I were chosen by God to translate God’s Word into tribal languages.

They also wanted the Mutuan and Mannan tribes of Idukki district to hear God speaking in their own language. Therefore, since 2007, Bible translation work has been started in

these languages. With the help of dedicated youths from these communities, God helped the N.L.C.I. translation team to publish the New Testament in Mutuan and Mannan languages in 2019. Thereafter the translation of Psalms and Proverbs is in progress. Along with translation work, God has also used this team to organize Christian songs in the tune and rhythm of the tribal people, Bible stories, literacy books, word collection for dictionary preparation, audio Bible for the illiterate, gospels in video form and so on. The revision committee formed to check the quality of the translation was later registered as societies and evolved into a platform for believers to come together regardless of denomination to respond to the needs of society. Thus, with the collective efforts of churches, organizations and individuals, efforts are being made to bring many people in these societies for spiritual and material upliftment.

However, there are still many hurdles to overcome. When every person in these societies is removed from this world without knowing the Lord through suicides, accidents and old age, the Holy Spirit will ask our conscience why you could not get that person. It’s a frustrating and vexing question. If we don’t want to hear this question, we just need to respond to the Lord’s call. The ground is ripe for the harvest. People are praying to the master of the harvest. But who will go? Who will be sent? And who will send? May God help each and every member of the Tribal Mission to respond favorably to the above question.

## With love from Bethany, Attapadi

Beloved in the Lord,

At the end of March, schools and children's homes closed for the holidays, and the children returned home. They came back in June 2024. I'm delighted to share that Bethany English Medium High School achieved a 100% pass rate in the last SSLC exam for the 12th consecutive year. Three students earned full A+ grades. Our heartfelt thanks go to all the students and teachers who worked diligently and prayed for this success. All glory be to God.

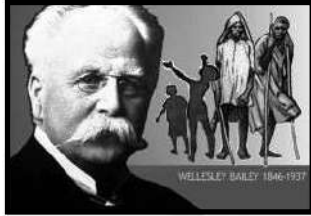

Dr. Thomas David from Thiruvananthapuram generously awarded Rs. 5000 to the top scorer and Rs. 2000 to the other students who passed their 10th class. We are deeply grateful for his support.

During the vacation, the Bethany Campus hosted a 3-day retreat for the Tribal Mission. Unfortunately, Balabhavan's kitchen fridge malfunctioned, and parts were unavailable due to its age. We prayed for a new one, and Dr. Rebecca Muralidhar, who visited the campus while on her leave, kindly bought a new fridge worth Rs. 44,000. Our sincere thanks to Dr. Rebecca.

The first bus for Bethany School was purchased almost 20 years ago and had become nearly impossible to repair. Even renewing the permit was doubtful. We prayed continuously and shared our need in the Tribal News. We also informed Mr. Varghese Parakkamann, who built our KG Section Building. He is the brother-in-law of the late Mr. George Mathew, Kollam, the past President of the Tribal Mission. Mr. Varghese promised to provide a new bus before the school reopened. True to his word, he bought a new 36-seater Tata School Bus in June 2024 at a cost of Rs. 24 lakh. All glory to the Lord. We extend our heartfelt gratitude to Mr. Varghese and the members of the Parakkamannil Trust, including Mr. Thomas Abraham.

Mr. C.T. Sathyan, retired Principal of Mannuthy Veterinary College, who had long expressed a desire to meet the Bala Bhavan children, visited with his wife, Mrs. Mini Sathyan, when the school reopened. They spent two days with us and learned about the needs at the center. Later, he sent Rs. 50,000 to the mission's account to buy essential equipments such as a washing machine, etc. How comforting it is to know that there are those who are praying and helping this work.

With warm regards, K.K. Koshy

**Missionary Biography**

**WELLESLEY BAILEY**

(28.04.1846 - 1937)

**Native Place : Ireland**

**Place of Vision : India and other parts of the world**

Wellesley Bailey, a young Irish man aged 23, set sail for India in 1869 hoping to find a career here. While training to be a teacher, he saw for the first time the devastating effects of leprosy. Till then, he had only heard about leprosy and ‘lepers’ from Bible stories. He was disturbed by the appalling living conditions and the social isolation of people with leprosy. Describing his heart’s desire, he writes, “if there was ever a Christ-like work in the world, it was to go amongst these poor sufferers and bring them the consolation of the gospel.”

During his time, there was no known cure for leprosy. So, along with his wife Alice, he returned to Ireland to raise awareness by talking about those affected by leprosy who lived in extreme poverty and rejected by the society in India. As people began to extend their support through prayers and financial help, they started ‘The Mission to Lepers’ (now called the Leprosy Mission) in 1874 to help leprosy sufferers in India. By the late 1870s, the mission supported about a 100 people who suffered from leprosy. He also visited other leprosy projects run by other missionaries and helped them in administration and finance. Soon, letters arrived from other countries seeking his help, and hence he extended his ministry to countries like China, New Zealand, and Australia.

Wellesley’s compassion gave birth to an organization that now serves to bring healing, inclusion, and dignity to the leprosy-affected around the world. He toured many countries raising awareness among the Christians and missionaries about the needful ministry among the lepers. Being a prayerful person himself, he believed that his Mission was nourished on prayer and that prayers were at the bottom of its success. Wellesley who considered, caring for lepers as his life’s ambition is rightly remembered as the ‘Father of lepers.’

Are you able to show God’s love to such people in your society? Let us pray that the Lord may strengthen us to serve the neglected and discarded people of human society.

### **PINAVOORKUDI**

Praise God. The Lord's work is progressing well in Pinavoorkudi. The construction of the prayer hall is advancing, and we request prayers for its completion. The Real Hand Fellowship in Ernakulam has undertaken this project, providing learning materials and sewing machines to the local school. Please pray for them.

The gospel was preached twice this month in Pantaparakudi, with Pastor Chellappan accompanying us. Anand, Mahalakshmi, Bijoy, Thankachan, Ashokan, Ambili, and Rajesh have made decisions to follow Christ. We ask for prayers that they may attend the worship service regularly. This week, we reached the tribal villages of PonganChuvad, Talamkandam, and Talavachapara with the gospel. We ask for your prayers for these efforts. Additionally, please pray for Anjana and Aparna, that they may remain steadfast in the church.

*(Pastor Babu)*

### **ADIMATAYANNUR**

From June 24-26 and again on July 8-10, we were in the Pollachi, Anamala, and Meenakshipuram areas, visiting 19 surrounding villages to do God's work. In these villages, the Irawalan (tribal children) preached the gospel, believing that a church could be formed by God's grace.

There are many places where there is no activity. Chullimetpati has more than 300 houses, while the other villages have 40, 50, 70, and 25 houses respectively. Let us pray for God to raise up believers in these areas. Many people who hear the gospel are showing interest. Let us pray for Palani, Murugan, Muthuswami, Amasaveni, Manimekalam, Daivana, and Kamala.

There are promising opportunities in areas like Villachimada, Montipati, Nellithedu, and Sarkarpati. Let's continue to pray. We thank our Lord Jesus Christ for the grace He has given us to witness for Him throughout this month.

The gospel was preached in and around the villages of Pothupadi, First Site, MoopanKunnu, Kannamala, Dundur, Sayyur, Narasimuk, Parangal, Karadipara, and more. Many people heard the gospel, and we also prayed for numerous patients. The team, under the leadership of Pastor Nanjan, is making blessed progress. Please pray for further blessings in this work.

Spiritual services such as fasting prayers, worship, fieldwork, and home visits are ongoing. Sunday school classes are also being conducted. We especially ask for prayers for the deliverance of God's children from dangers like natural disasters and wild animals.

*(Pastor TJ Job)*

### **NAKUPATI**

By the grace of our Lord, blessed worship and prayers are being held at the Nakupati Centre. Believers are experiencing spiritual growth and blessings. The church and its premises are maintained by the members, who have also completed the construction of the building's side. Currently, there are 24 missionaries working in the Palakkad district, with 21 church buildings constructed. Sadly, one of the senior missionaries has passed away, and two missionaries are on leave. By the grace of the Lord, all the missionaries are faithfully carrying out their work in their assigned fields. I, along with five others, visit different places to share the gospel and pray for the people.

For the past two months, we have visited the following locations three days a week (Monday, Wednesday, and Friday): Karuvaram, Mele Karuvaram, Mukkali, Dhonikund, Dundur Kara, Karadimala, Cholakad, Anagadda, Panjab, Tadayoor, Pothupadi Thazhe, Mele Pothupadi, Second Wide Ur, Oopan Kunnu, Kattakad, Nallasinka, Thazhe Kadapara, Kiripati, Vechapati, Varagapadi, Mulakall, Kunasala, Mele Parapathur, Thazhe Varapathora, Chirakadav, Patavayal, Palur, Thekupanam, Kolapadi, Kotiyur Kalndi-Koranthikal, and more. Many people are making decisions but are unable to attend worship due to the distance. Please pray for them. A missionaries' meeting was held at Chiravur Church on July 16, 2024.

*(Pastor Nanchan)*

### **ATTAPADI - TAMIL NADU REGION**

During June and July, we visited various centers in Attappadi and evaluated the activities, working alongside fellow missionaries to expand our efforts. As a result of our teamwork with the tribal mission missionaries in the villages of the Sholayur area, the mission activities in these regions were greatly stimulated.

In the Attappadi region, there is a significant need for renovation work in the churches of Chenkattiyur, Narasimath, Vechapati, and Naikkarapadi. The new missionary, Shivraj, has taken charge of the Chengattiyur Centre. We also had the opportunity to attend the marriage services of believers at the Tribal Mission Church in Gudalur.

Please pray for a Prayer Hall to be built in the Tamil Nadu region, centered around villages like Adimatayannoor, Choondapetty, Muthakallur, and Tholam Palayam. (Pastor Mani Kuriakos)

### **VECHHAPPADI**

By the grace of God, all meetings and activities of the Tribal Mission Vechappadi Church have been conducted without interruption. On June 17, 2024, a missionary meeting was held at the Pothupadi Church. As is customary every Wednesday, on June 24, 2024, a team consisting of Pastor Nanchan,

Raman, Pastor Sivaraj, Pastor Sivasankaran, Pastor Job, Pastor Anil, Palaniswami, and Ennir evangelized the villages in Sholayur.

On Thursday, June 27, 2024, night prayers were held in the church, with NIC Pastor Johnson Samuel newly joining the prayer. On July 6, 2024, a person named Rakinam, brother of Valyakulath, preached the gospel and prayed. On July 10, 2024, we visited the houses of Brother Vellingiri, Valli, and others along with the believers of Nechapati Church. We read John 5:39-46, spoke about Jesus, and prayed. Meetings are held in the church on Sundays, Thursdays, and Fridays. On the remaining days, we conduct cottage meetings and house visits.

*(Pastor Palani Swamy)*

## An Appeal

Beloved in the Lord, Greetings in the blessed name of Jesus Christ.

The Mankulam Mission Center in Idukki district was established in 1980. In those early days, without any travel facilities, our dedicated tribal mission workers would walk nearly 16 kilometers to share the gospel with the local people. Initially, the adivasis of the Mannan and Mutuan groups resided here, but now other groups, such as the Arayar, also live in this area.

Our missionaries have tirelessly spread the gospel to these communities, many of whom had never heard the name of Jesus. Through the Lord's blessings, hard work, and tearful prayers, we now have around 65 people gathering to worship at this mission center. We were able to purchase some land and, with the prayers and financial support of God's children, build a prayer hall and a mission house. However, the building, constructed with raw mud bricks and sheet roof, has deteriorated over time. The walls have developed cracks, and the roof leaks during the rain.

I have been serving as the pastor of this church for the past 12 years, and I see that our sincere tribal brothers lack the resources to construct a new church hall. Therefore, we humbly request God's people to pray and support us in building a new hall with a parsonage. Approximately 10 lakh rupees will be required for this construction. More information is available from our office. These faithful brothers are praying to God and eagerly looking forward to worshipping in a new hall without leaks. Let us help them as much as we can. May God bless everyone.

## MISSIONARY MEETING & WORSHIP SERVICE OF IDUKKI DISTRICT

**Pastor T Jayadas (Phone: 9747442935)**

The Tribal Mission Hall in Koika City, Adimali, hosted a missionary meeting on August 13, 2024, from 10 AM to 1 PM. Missionaries from various centers in the district attended. The meeting began with a prayer at 10 o'clock, presided over by Tribal Mission Admin Secretary Hon. Baby Mathew, with Coordinator Pastor Kannan welcoming the attendees.

Following a blessed worship session led by the missionaries, Pastor Tom & Evangelist Abi Poullose, delivered inspiring messages. Mr. Baby Mathew provided valuable suggestions to enhance district activities, which the missionaries gladly accepted. New missionaries, Pastor Likesh and his family, who will serve in Adimali, and Bro Soman and his family, now working in Maniarukudi after serving in Thiruvananthapuram, were introduced and shared their testimonies.

Missionary teams, consisting of two people each, go out weekly to find new work opportunities, enhancing evangelistic efforts. A new place of worship is under construction in the tribal village of Pinavoorkudi, and two months ago, the worship place in Metnapara was renovated. Our church in Mankulam also needs rebuilding, and we request everyone's prayers and support for this cause.

The meeting was a blessing, fostering dependence on God and prayer for many issues. Pastor T. Jayadas concluded the meeting with prayer and blessings. Attendees parted ways after lunch, looking forward to the next gathering. We give all glory to the Lord for blessing this meeting.

Special prayers are requested for the missionaries in Idukki district who are working tirelessly without means of travel, enduring harsh weather conditions and the presence of wild animals. God bless all.
